

## Program Viability Contact List

The following is a list of Deans within the California Community Colleges that have been involved in designing and implementing program viability at their local institution. All have agreed to be available as a resource to other California Community Colleges who are designing or revising program viability as they have the background in what works, lessons learned and things to consider while developing and implementing the process.

Sidney Burkes  
Dean, Business and Applied Technology  
Chaffey College  
(909) 652-6840  
[sidney.burks@chaffey.edu](mailto:sidney.burks@chaffey.edu)
