

DOING WHAT MATTERS FOR JOBS AND THE ECONOMY  
Division of Workforce and Economic Development

### Job Opening

My Division has another opening to build the strength of our team. It's for a Program Assistant II. If you know of current State employees – with a knack for data and analytics – please encourage him/her to apply at <http://extranet.cccco.edu/Portals/1/InternalOps/CCPAII%2012-016.pdf>. The application deadline is 10/17.

### Opportunity for Public Comment on new RFA Process

As we work to align our RFA process with the Doing What MATTERS for Jobs and Economy framework, we invite you to give feedback on documents while they are still in draft form and until finalized. You will help us shape our new system RFA process by providing your suggestions.

We invite you to be specific and help us create a process to be more helpful to the field while honoring all the language of the law. Please submit via the 'feedback' icon on the left of the website page. As you do so, help us track your comments by identifying the document name, page and line number.
