Division of Workforce and Economic Development

### Critical Conversations Calendar

As a way to assist and support our system in activating the [Doing What MATTERS for Jobs and the Economy](#) framework, I am meeting with stakeholders throughout the state on an on-going basis. Following is a list of scheduled visits. I welcome the opportunity to meet with you, so please contact me at [vtquinlivan@cccco.edu](mailto:vtquinlivan@cccco.edu) if you would like to host one. I also invite you to follow me on Twitter at @WorkforceVan. Let's work together to help close our state's skills gap and navigate these difficult times.
