Process Overview

Version as of 11/17/14
Board of Governor Task Force on Workforce, Job Creation and a Strong Economy

Scope
Consider strategies and recommend policies and practices that would:
- Prepare students for high-value jobs that currently exist in California,
- Position California’s regions to attract high-value jobs from other states and around the globe,
- Create more jobs through workforce training that enables small business development, and
- Finance these initiatives by braiding state and federal resources.

*Develop recommendations that engender: flexibility, regional responsiveness, partnership with industry, and student portability*
