## PRACTICES WITH PROMISE eShowcase

### Practices with Promise eShowcase - Student Data for Success

Practices with Promise is a new tool provided under the **Doing What MATTERS for Jobs and the Economy** framework to allow you to search for and share strategies that advance student success and workforce outcomes. **Here**, you can submit\* your Practices with Promise to help others celebrate what you have achieved and learned. Collected Practices with Promise fall into five categories. Over the next five weeks, each eShowcase announcement will bring a few to your attention. Please email [info@dwmpracticeswithpromise.com](mailto:info@dwmpracticeswithpromise.com) if you have ideas on how to make this tool more helpful to you.

Enjoy!
