**Draft Report by Task Force on Workforce, Job Creation
and a Strong Economy - **Open Public Comment Period**
through July 15th by 5pm PST**

With input from more than **14 Regional College Conversations** and **6 Strong Workforce Town Halls**, the Task Force for Workforce, Job Creation, and a Strong Economy has developed **draft recommendations** to the Board of Governors.

You are invited to give public comment to the draft report by the Task Force. Comments **MUST** be submitted via the **IdeaScale** feedback orange icon (on the the left of the webpage), come from registered guests, and be received by 5pm PST on July 15th to be considered. Please **read the draft in its entirety** before submitting a comment and **associate a chapter and line number** with each of your comment(s).

The California Community Colleges Board of Governors commissioned the Task Force to surface recommendations for how best to close the skills gap on one million more industry-valued middle skill credentials and leverage the community college system to catalyze growth in California's regional economies.

Members of the public are encouraged to read these background papers for context to the Task Force recommendations:
