Practices with Promise - Workforce Outcomes eShowcase

Practices with Promise is a new tool provided under the [Doing What MATTERS for Jobs and the Economy](#) framework to allow you to search for and share strategies that advance student success and workforce outcomes. [Here](#), you can submit* your Practices with Promise to help others celebrate what you have achieved and learned. Collected Practices with Promise fall into five categories. This third eShowcase announcement brings a few from the "Contextualized Content" category to your attention. Please email info@dwmpacticeswithpromise.com if you have ideas on how to make this tool more helpful to you.

"In a community college system of this magnitude, opportunities for college professionals to share student successes with each other will be to everyone's benefit!" -- Dr. Pamela Walker, Vice Chancellor of Academic Affairs, California Community Colleges Chancellor's Office
